WELCOME NOTE

Dear Colleague,

We are delighted to invite you for our first ever forthcoming conference BUILD 1.0 - “Brainstorming and Update on Innovations in Liver Disease”, to be held from 4th to 5th February, 2023 at Hotel Trident, Nariman Point, Mumbai, India, where leading experts will congregate to share the latest advancements in liver disease.

As the name suggests, the conference will have brainstorming sessions on the latest innovations in liver disease, with an update on the advancements made in diagnosis & management. In addition, the programme will consist of academic debates, state-of-the-art lectures, oration, quiz and meet-the-Professor sessions.

We anticipate that the conference will have an audience of more than 400 individuals including Gastroenterologists, Hepatologists, HPB & Liver transplant surgeons and Intensivists from across India and overseas. This will be an in-person meeting in Mumbai, which will give an opportunity to the faculty/delegates to interact with each other and enjoy the pleasant February Mumbai weather.

We look forward to seeing you at BUILD 1.0!

Best Regards,

Dr. Akash Shukla
